

Save Our Pools
to the tune of "They Built the Ship Titanic"
Lyrics by Jessica Monk

The Toronto District School Board,
They want to close the pools.
They say they haven't got the cash
To keep them in the schools
But families all around
Said "Don't let our children down!"
We'll be sad if Toronto drains the pools.

We'll be sad (SO SAD!)
Oh we'll be sad (SO SAD!)
We'll be sad if Toronto drains the pools
'Till they're empty and they're dry
(Seniors and kids "Oh please let us stay fit!")
We'll be sad if Toronto drains the pools.

Oh Mayor Miller looks around,
When quite suddenly he sees,
That the public city pools
Are beyond capacity
So he called his counsellors
To the council chamber floor
And he wonders why Toronto drained the pools.

We'll be sad (SO SAD!)
Oh we'll be sad (SO SAD!)
We'll be sad if Toronto drains the pools
'Till they're empty and they're dry
(Swim meets and lessons, on their way to swimming heaven!)
We'll be sad if Toronto drains the pools.

McGuinty is the Premier
Of Ontari-ari-o
And to him we make the heartfelt plea
"Don't let our school pools go!"
You've got political might
We hope you'll join us in our fight
We'll be sad if Toronto drains the pools.

We'll be sad (SO SAD!)
Oh we'll be sad (SO SAD!)
We'll be sad if Toronto drains the pools
'Till they're empty and they're dry
(Closing valuable assets – how poorly planned out that is!)
We'll be sad if Toronto drains the pools.
