

**This Halloween,
hand out something
more than a treat.**

Change for Kids

Change for Kids is a new program that will help change the world for children with disabilities. It's about celebrating Halloween, while giving trick-or-treaters the opportunity to win amazing prizes.

All net proceeds support Holland Bloorview Kids Rehabilitation Hospital, Canada's largest pediatric rehabilitation teaching hospital. By participating in Change for Kids, you will support life changing treatments and therapies for kids with autism, acquired brain injury, cerebral palsy and other physical and developmental disabilities, and programs like arts, music, life skills and respite care.

This Halloween, hand out something more than a treat and help kids with disabilities! Buy your Change for Kids coin card at any Scotiabank branch in the GTA for \$5 or visit www.changeforkids.ca for a list of other participating distributors.

Every time a child enters a unique PIN code online, Scotiabank will make a \$5 donation to Holland Bloorview. You'll be giving kids the gift of knowing that they too are helping change the world for kids with disabilities.

Change for Kids also features two not-to-be-missed events: **Change for Kids Halloween Party** at the Ontario Science Centre on the evening of October 27, 2012 and **Change for Kids Monster March & Fun Fair** at Holland Bloorview on October 28, 2012.

Halloween will never be the same again!
