

New additions to Allenby for September 2014

TEACHERS

Grade 4 English - Mrs. Miri Spencer will be teaching Grade 4 at Allenby in September. She has been a teacher in the TDSB for 12 years. Mrs. Spencer worked in the west region for 8 years, and then has been at a school in the east for the past 4 years. She is very excited to be joining the Allenby school community, and looking forward to working with her colleagues and families to support student success!

Grade 4 English - Ms. Evra Trought-Pitters has been a teacher with the TDSB for over 14 years. She has taught various grade levels. Evra is passionate about student learning and student success. Evra is looking forward to meeting the Allenby community and has already started planning for next year with her new Grade 4 teaching partner, Mrs. Miri Spencer.

Grade 4/5 FI – Madame Lindita Bicaku is coming to Allenby after teaching French for over 20 years. Teaching is her passion and she is excited to see my students to be success full academically and grow socially. She also enjoys reading and travelling. Lindita lives in Toronto with my husband and her two children, who are both attending University. Ms. Bicaku has also been planning with her new grade partner, Ms. Line, in preparation for September 2014.

Special Education - Mrs. Sarah Pryor is currently in her seventeenth year working in Special Education and French Immersion. She is absolutely thrilled to begin working at Allenby in September. (Most recently, Sarah worked at John Fisher and at Williamson Road before that). She and her husband are both TDSB teachers; they met working on a McDonald's commercial. They have two teenage children, a fantastic dog and enjoy living nearby. Mme Pryor tells me that her summer promises to include as many lake activities as possible.
