# FUNd Hard for Our Schoolyard

for our children, school and community

Join the race to raise \$100,000 for our schoolyard

Our goal is to raise \$100,000 to make Phase 1 of the Allenby Jr. PS Master Plan a reality.

Phase 1 (to begin summer 2015) will include a new running track, new paved play area with painted lines for multi-sport play, basketball hoops, permanent outdoor storage shed, and improvements to the existing playscape. These elements will be done in conjunction with the installation of a new artificial turf field generously being funded by the TDSB.

Join us in our race to raise \$100,000 today!
