

## Help Make Allenby Amazing Campaign

The Allenby Parents' Association (APA) is a parent/guardian-run organization that enhances your children's education through communications and fundraising. **All parents/guardians with children at Allenby Jr. Public School are members of the APA and we appreciate all levels of support.**

**Amazing things are happening at our school!**

**Help us raise \$18,000 to support the APA's 2016/2017 operating budget**

This year, the APA and the school have aligned their budgets to achieve efficiencies in spending on literacy items, STEM resources, arts projects, physical education equipment and health & safety initiatives. We expect to use our annual operating budget and surplus to spend close to \$100,000 on our children this year, well over \$100 per child!
