

Become an APA Representative for 2016-2017

For the 2016-2017, each class will have an Allenby Parents Association Representative (APA Representative) (formerly known as Class Representatives). The APA Representative will be the primary link between the APA and all Allenby parents/guardians. The primary role of the APA Representative will be to receive and transmit information for the APA, attend bi-monthly APA meetings, and help with baskets for the June Fun Fair. The APA Representative role is a guaranteed way to be a part of what is going on at Allenby. Being an APA Representative will give you the opportunity to meet and welcome parents and guardians in your child's class.

The new APA Representative role **will not** require that volunteers forward emails from their classroom teacher or from the school. APA Representatives **will not** be responsible for recruiting volunteers for field trips, completing scholastic orders or planning class parties. Teachers will still be looking for this participation from the broader classroom community. For those of you who have been a Class Representative in the past, we are sure that you will agree that it is a very rewarding experience.

If you are interested in becoming an APA Representative, please complete the Name Advancement Form on the back and return it directly to the school office no later than Friday, September 16th, 2016.

If your name was not drawn as the APA Representative for your child's class this year, please consider volunteering for the many other positions the APA has available or [visit the "Get Involved" page](#) at www.Allenbyparents.com

Thank you in advance for your interest.
